Friday 20 July: sculpture/video	
Steve Highton Barbara Dougan Bob Catchpole Derek Morris	Caroline Fisher In The <i>Curve</i> The Forum

This is a great opportunity to hear, meet, quiz and talk to some of the artists who have made works in the NCA12 exhibition. A mixture of young and older artists, some just starting out, some seasoned professionals, but all passionate about what they make; this is the way to spend lunchtime, getting closer and finding out what makes them tick. We look forward to seeing you there at these free sessions.....
